

The commercial lending process is frequently perceived as slow, confusing, and frustrating, with little assurance of a successful closing. SkyView® now offers a proven fast & flexible advisor financing solution that gives you the freedom to utilize loan proceeds specific to your needs.

An alternative to traditional bank financing for loan amounts up to \$2 million

FAST
Close within 30 days

FLEXIBLE
Flexible interest-only payment option reduces monthly payments

FREEDOM
Freedom to allocate loan proceeds in alignment with your practice initiatives

FAST time to close relative to traditional bank financing

FREEDOM to allocate loan proceeds toward an array of initiatives

SkyView® supports financial advisors seeking capital by offering two financing solutions: SKYexpress™ and Traditional Bank

Expedited financing solutions providing increased flexibility and manageable monthly payments

VS

TRADITIONAL BANK

Funded via our national exosystem of progressive banks for well-qualified applicants
